

SinglePlusSM Credit Report

THE POWER OF THREE IN A SINGLE REPORT

Pre-Qualify Borrowers Accurately and Quickly

SinglePlus Credit Reports give you added confidence when pre-qualifying borrowers – at a much lower cost than 3-Bureau Merge Credit Reports. By providing the middle score and its associated full credit report, the SinglePlus report provides peace of mind when it comes to making lending decisions. Plus, you receive a list of the derogatories found on the remaining two national credit reporting agencies (CRAs) reports — helping you avoid surprises when you upgrade to a full 3-Bureau Merge Credit Report.

SinglePlus advantages

- Significant savings compared to the cost of a 3-Bureau Merge Credit Report*
- Added confidence of receiving the middle score and its associated full credit report
- Reliable list of derogatories from the remaining CRAs
- Easy, instant conversion to a 3-Bureau Merge Credit Report for full underwriting
- Fully-integrated with CLOUT™ for faster and easier pre-qualification of borrowers
