

## ↳ Enhanced Online Credit Services

**QUICK. ROBUST. SIMPLE. CONVENIENT.**

### Manage all your credit needs from one state-of-the-art online source

LandSafe® Credit Services have been enhanced with your credit processes in mind. We have made it easy and convenient to access your credit products and services online through LandSafe.com – empowering you to make quick and informed lending decisions.

#### ↳ Centralized solution offers a full menu of credit capabilities

- Immediate access to accurate, timely credit information
- Easy, online ordering of credit upgrade products
- Robust communication and product notifications
- Up-to-the-minute order status
- Simplified product selection with integrated product eligibility

#### ↳ Efficient and timely ordering and receiving of credit products

- Straightforward ordering
  - Request credit reports, supplements and upgrades through a single source
  - Update product order automatically, based on tradelines requiring research
  - Reduce opportunity for error with minimal manual data input
  - View estimated turn times and fees prior to finalizing your order
- Dynamic order status
  - Easily track current and pending order status and upgrades online
  - Promptly respond to order requests for expedited order completion
  - Conveniently display Merge Reports ordered through your loan origination system
  - Automatically receive daily status reports by e-mail
- Automated order delivery
  - Receive e-mail notification of completed orders
  - View tradelines and retrieve reports online as they are completed
  - Select final Merge Plus report delivery format – full credit report including research items or research items only

Experience the power of LandSafe.com to view credit reports, order products and check order status at any time. The enhanced online Credit Services can help you efficiently process orders and close loans faster.
