LandSafe and Ellie Mae® — Seamlessly Connect and Submit Loan Data

At LandSafe, it's our goal to provide you with the advantages your business needs to stay ahead. You can order LandSafe credit reports and flood determinations, and submit your loans for an automated underwriting decision without leaving your loan origination system (LOS).

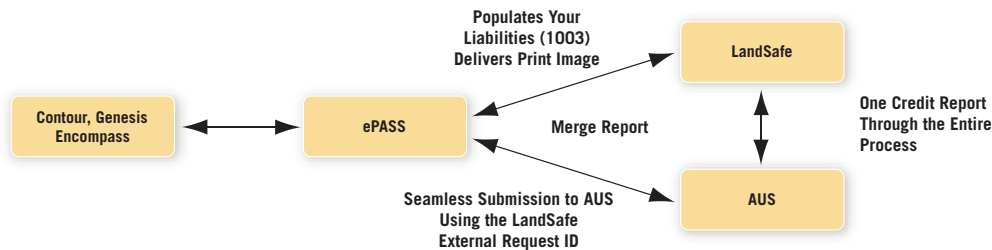

LandSafe interfaces through the Ellie Mae ePASS® Network and loan origination software:

- Contour The Loan Handler®
- Encompass®
- Genesis 2000®

The ePASS Network is also accessible through Calyx Point®, Byte and other LOSs. For a complete list, contact Ellie Mae's customer support at 800-777-1718.

Save time and money with quick and easy submissions using LandSafe credit reissue capabilities. It is now faster and easier to send loans from Ellie Mae's suite of loan origination products to automated underwriting systems (AUS).

- Fannie Mae® – Desktop Underwriter® (DU®)
- Freddie Mac® – Loan Prospector® (LP)
- Bank of America Home Loans – CLUES® through CLOUT™

↳ LandSafe offers multiple advantages to help you succeed

- Electronic ordering and delivery of reports in seconds
- Auto population of credit information into the residential loan application (Form 1003)
- Office of Foreign Asset Control (OFAC) check included with Merge Credit Report
- Electronic separation of joint credit report with no-cost remerge for individual borrower
- Manual flood determinations completed in 48 hours or less (98% within 24 hours)
- Flood life-of-loan tracking, census tract data and borrower notification letters
