SEAMLESS SYSTEM INTERFACES

Reduce Time and Cost with Integrated Solutions

At LandSafe, our goal is to provide you with the advantages your business needs to competitively stay ahead. You can order LandSafe credit reports and flood determinations to submit with your loans for automated decisions without leaving your loan origination system (LOS) — saving you time, cost and effort.

Seamless reissue to automated underwriting systems (AUS)

Automatically import credit report data into the residential loan application (Form 1003), eliminating the need to reinput data. Quickly and easily submit to AUSs using the LandSafe credit reissue capability and External Request ID.

- Fannie Mae® – Desktop Underwriter® (DU®)
- Freddie Mac® – Loan Prospector® (LP)
- Bank of America Home Loans – CLUES® through CLOUT™

↳ Advantages of integrating with LandSafe

- All functionality within your LOS system
- Seamless data transfer to AUS
- Accurate and timely credit information
- Electronic ordering, status and delivery of reports, upgrades and supplements
- Automatic population of credit information into Form 1003
- Office of Foreign Asset Control (OFAC) check included with Merge Credit Report
- Electronic separation of joint credit report with no-cost remerge for individual borrower
- Accurate and reliable flood determinations fulfilled nationally
- Over 95% of flood determination delivered electronically in seconds
- Completion of manual flood determinations within 48 hours or less (98% in 24 hours)
- Easy upgrade of orders to add life-of-loan coverage and census tract data
- Printable flood certificates and borrower notification letters
