Maximize Credit Opportunities

CreditXpert Essentials™ identifies the best combinations of actions to help enhance your applicant's credit score.

UNCOVER CREDIT POTENTIAL

CreditXpert Essentials is advanced analysis software that instantly identifies opportunities to help enhance an applicant's credit usage. It breaks down an applicant's credit and identifies top positive and negative factors, as well as related tradelines.

BECOME THE APPLICANT'S ADVISOR

With CreditXpert Essentials, you can take a consultative role, helping applicants identify the actions that can help them determine which loans best meet their needs. This tool finds the most cost-effective actions your applicants can take to:

- Achieve a specified score increase
- Obtain the maximum score increase for a given amount of available cash
- Implement actions such as paying down debt, transferring balances and opening or closing accounts
